Foot Operated Grease Pump

FOP-10

High pressure portable grease pump for quick effortless greasing in everyday lubrication such as greasing of excavators & other earth moving equipment, agricultural equipment, automotive etc.

Hands free operation: Pump operates using the foot lever, which greatly reduces effort & allows high pressure greasing with highest comfort

Can be operated by hand when under low machinery

Economical: Pump is operated by a single person & uses low cost bulk grease

Designed with all moving parts submerged in the same grease which needs to be pumped, thereby staying lubricated at all times

Moving parts create wave action in grease, auto removing air pockets & eliminating the use of a follower plate

RECOMMENDED USE
NLGI 1 & 2 greases

FEATURES

DEVELOPS	DELIVERS
UPTO 8,700 PSI (600 BAR)	UPTO 2 GM / STROKE

Lift handle

Steel drum cover

Steel bucket
10 kg
capacity

Nozzle
holder

Pistol handle
fitted with
steel grease
extension &
professional
coupler

Includes
2m x 1/4\" ID high
pressure rubber
hose

Foot lever

Rubber pads
