NON-INVASIVE DIAGNOSIS AND TREATMENT

WITH WORLD CLASS BEST SUPPLEMENTS

At MEHAK WELLNESS CENTRE, advice for world class best Supplements is provided, that would aid in faster recovery, but if taken earlier as a precaution can avoid the disturbances leading to Disorders and Diseases.

We concentrate on reputed SUPPLEMENTS which have established themselves with proper certification. We usually stick to products that have been FDA certified and PATENTED.

Once the products have received an USA, FDA certification we start our own research by using the products and verifying the claims. But for products that are PATENTED, we need not prove its efficacy. The certification is more than enough.

Recently we have come across a company from SOUTH KOREA, which delivers best in range, high quality products. SUPPLEMENTS provided by them are WORLD CLASS.

Imagine a company manufacturing products for the TOP 100 GLOBAL BRANDS. This is possible as they have knowledge and research to manufacture products with top 4 technologies infused into every product they manufacture.

These 4 technologies research used in manufacturing are

- 1) ANTI RADIATION, 2) FERMENTATION, 3) BIO TECHNOLOGY, 4) NANO TECHNOLOGY.

This gives the VALUE to a product. Any product made with infusion of the above 4 technologies would stand out higher than its competitors. The efficacy and results from using these products are far beyond expectation.

On seeing the results of products (SUPPLEMENTS) marketed by ATOMY, we feel no need to recommend any other manufacturers products. I personally would give my first preference to products available thru ATOMY.

Client base for these products are top business houses, celebrities all over the globe, Rich and Famous who have used these products once have locked in their preference and lastly not to forget NASA.

USE THE PRODUCT ONCE, YOU WOULD NOT TOUCH ANY OTHER MAKE.

To name a few World Class SUPPLEMENTS made available by ATOMY are

Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXYFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".

We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.

Normally we wait for the damage to get concrete, experience the discomfort and pain, before we address it. In modern science, help is rendered only when the problem is diagnosed. Diagnosis is possible only after signs of physical damage. By this time the damage is already done and reversal is not possible. With the help of allopathy, we only reduce the impact, or work on reducing the pains and discomfort, but never rectify the situation. There is no work done to reverse the damage or to correct the situation and causes, for it not to repeat again. Whereas in BIOFEEDBACK, we are in a position to assess the situation and correct it, much before the damage starts. As the Diagnosis and Therapy involves work on the cellular level, and corrections on GENETIC and AUTO IMMUNE system, we are in a position to identify the oncoming disease / disorder and offer remedy for the same.

We, at MEHAK WELLNESS CENTRE, under the expertise of DR RAJEEV PRAKASH MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of any disorder.

We, run a test to evaluate the AUTO IMMUNE, CHROMOSOMES and GENETIC values along with a complete scan which includes areas for disturbance and causes for disorder in the system. Values for AMINO ACIDS, HORMONES, MINERALS, VITAMINS and other important data is collected to evaluate the condition for any damage in the system. Thus, are in a position to guide the client of a future onset or presence of any damage already present or in the pipeline. And accordingly recommend the SUPPLEMENTS required.

With vast experience of over 33 years, working with a wide range of Diseases and Patients, and being awarded with 80+ Certificates & Awards - DR RAJEEV PRAKASH MEHRA is confident of making a positive change in the lives of affected persons. The test thus helps us in taking preventive measures for the disease before it could cause any permanent damage in the system, and much before it shows up on the regular physical tests. Also to recommend corrective SUPPLEMENTS.

We conduct a complete 7,000 parameter test of which related items are scanned leading to information on imbalanced areas, causes, physical areas damaged or stressed, specific ayurvedic, homoeopathic, amino acids, vitamins, minerals, hormones, acupuncture points that are disturbed / stressed out. Along with this we evaluate if the damage is instigated by Auto-Immune, Chromosomes or Genetic factors. Once the report is ready we are in a position to identify the problem with its cause and damage to other areas as well. This gives a clear indication to assess the damage done or possible damage in the near future.

Our work is NON-INVASIVE. We work with BIOFEEDBACK & RADIONICS. FREQUENCIES from different therapies are used for balancing and repairing various damages. Whatever be the cause of damage, our therapies shall take care of it all.

Being in Non-Invasive stream, we do not recommend use of any medication or support system, as this would not be a solution to eradicate your prime issue. All areas of disorder are worked upon and cause for the same corrected. As far as possible we advise to avoid any invasive remedy.

Main cause of damage, disorder, disease is faulty and weakened Metabolism and lack of Supplements. This is due to high Toxicity with Micro-organisms. System failed to protect as the immune system was weakened, due to damage on the essential micro-nutrients present in the system. These issues are taken into account for correction along with other related issues instigating / provoking / supporting the damage.

Analyzing and identifying the root cause of damage, discomfort and disturbance and working to resolve the same is our prime focus. To get long term benefits, balancing on Auto-Immune system, Chromosomes, Genes and Metabolism is also carried out.

What we need to understand here is the functioning and performance of our CHROMOSOMES. If any of our 46 CHROMOSOMES are imbalanced or stressed out, it would lead to an outcome for disorder or disease in the system.

In short, Diagnosis and Therapy on BIOFEEDBACK, along with support of proper SUPPLEMENTS, can help in tackling any issue.

We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.

We strongly recommend DETOX procedure. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER, ATOMY VITAMIN C and use of ZAPPER. RADIONICS and RIFE FREQUENCIES for basic corrections; start immediately on the RADIONICS maintenance kit. DIETARY SUPPLEMENTS KOREAN RED GINSENG, PURE SPIRULINA and HemoHIM for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings depending on the individual's resistance from within and the body's ability to HEAL.
