

# OptiVision®

Expanding Digital Technologies

## CCTV SUPPLY

4CHANNEL / 8 CHANNEL : SINGLE CHANNEL ~ 4A - 8A

### SPECIFICATIONS :-

Input Voltage : 130V - 280V / 50-60Hz

Stablized Output & Low Interface

Short circuit Protection

Overload Protection

Surge Protection

Lightening Proof

Low Ripple Voltage

Over Temp. Protection

Over Current Protection

Over voltage Protection

Short circuit with auto reset

Power LED indicator for individual channel

Highly Integrated SMPS Switcher I.C Design

Input Overvoltage Protection

Output Overvoltage Protection

Voltage Drop Compensation Protection

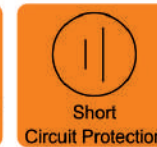

Input Overcurrent Protection

Output Overcurrent Protection

Intelligent Current Matching

Short Circuit Protection

Back flow Protection
