## ALLERGY ASTHMA and IMMUNOLOGY MANAGEMENT

### NON-INVASIVE DIAGNOSIS AND TREATMENT FOR ALLERGY ASTHMA and IMMUNOLOGY

**Asthma triggered by exposure to the same substances that trigger allergy symptoms. An allergy is when the immune system mistakes a harmless substance, such as pollen, as dangerous. The body releases chemicals to attack the substance. An allergy affecting the lungs can lead to asthma symptoms such as wheezing and difficulty breathing. Allergens are substances that cause an allergic reaction. Allergens can enter the body by being inhaled, swallowed, touched or injected.**

Common symptoms of asthma include:

- Frequent cough, especially at night
- Shortness of breath
- Wheezing
- Chest tightness, pain, or pressure

## WHAT WE DO & WHAT WE DO NOT DO:

1. WE DO NOT DIAGNOSE:

We assess, measure, determine or evaluate a condition.

2. WE DO NOT PRESCRIBE:

We recommend, suggest, advice or offer options to alleviate the condition.

3. WE DO NOT TREAT:

We work with, release, normalize, relieve, balance or remedy a condition.

4. WE DO NOT CURE:

We alleviate, balance, improve, correct or normalize a condition.

5. WE DO NOT Use the word "DISEASE":

We use condition, problem or imbalance.

6. WE DO NOT MAKE CLAIMS OR PROMISES:

We explain that health is an individual matter with many approaches to healing and no guarantees. It is our job to educate our clients so that they are more in control of their own health.

•

**Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXIFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".**

**We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.**

**Normally we wait for the damage to get concrete, experience the discomfort and pain, before we address it. In modern science, help is rendered only when the problem is diagnosed. Diagnosis is possible only after signs of physical damage. By this time the damage is already done and reversal is not possible. With the help of allopathy, we only reduce the impact, or work on reducing the pains and discomfort, but never rectify the situation. There is no work done to reverse the damage or to correct the situation and causes, for it not to repeat again. Whereas in BIOFEEDBACK, we are in a position to assess the situation and correct it, much before the damage starts. As the Diagnosis and Therapy involves work on the cellular level, and corrections on GENETIC & AUTO IMMUNE system, we are in a position to identify the oncoming disease / disorder and offer remedy for the same.**

**We, at MEHAK WELLNESS CENTRE, under the expertise of DR. RAJEEV MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of ALLERGENS and ASTHMATIC conditions along with Immune System functioning.**

**We, run a test to evaluate the AUTO IMMUNE, CHROMOSOMES and GENETIC values along with a complete ALLERGY test and areas for disturbance and causes for ASTHMA. Thus, are in a position to guide the client of a future onset or presence of any Allergic or Asthma condition.**

**With vast experience of over 35 years, working with a vast range of Diseases and Patients, and being awarded with 80+ Certificates & Awards – DR. RAJEEV MEHRA is confident of making a positive change in the lives of affected persons. The test thus helps**

us in taking preventive measures for the disease before it could cause any permanent damage in the system, and much before it shows up on the regular physical tests.

We conduct a complete 7,000 parameter test which includes 318 Allergic items along with areas disturbed, causes, physical areas damaged or stressed, specific ayurvedic, homoeopathic, amino acids, vitamins, minerals, hormones, acupuncture points that are disturbed / stressed out. Along with this we evaluate if the damage is instigated by Auto-Immune, Chromosomes or Genetic factors. Once the report is ready we are in a position to identify the problem with its cause and damage to other areas as well. This gives a clear indication to assess the damage done or possible damage in the near future.

Our work is NON-INVASIVE. We work with BIOFEEDBACK & RADIONICS. FREQUENCIES from different therapies are used for balancing and repairing various damages. Whatever be the cause of Allergy or the reason for Asthma, our therapies shall take care of it all.

Being in Non-Invasive stream, we do not recommend use of any medication or support system, as this would not be a solution to eradicate your prime issue. All forms of Allergies and Asthma conditions are worked upon and cause for the same corrected. As far as possible we advise to avoid any invasive remedy.

Main cause of Allergy and Asthma is faulty and weakened Metabolism. This is due to high Toxicity with Micro-organisms. System failed to protect as the immune system was weakened, due to damage on the essential micro-nutrients present in the system. These issues are taken into account for correction along with other related issues instigating / provoking / supporting Allergy and Asthma.

Analyzing and identifying the root cause of damage, discomfort and disturbance and working to resolve the same is our prime focus. To get long term benefits, balancing on Auto-Immune system, Chromosomes, Genes and Metabolism is also carried out.

Our work mainly involves 4 stages- DETOXIFICATION; CHROMOSOME test, to identify hereditary issues, faulty programming; IMMUNITY test, to verify an AUTOIMMUNE angle and finally support with SUPPLEMENTS (AMINO ACIDS, HORMONES, MINERALS and VITAMINS).

REVERSAL OF ALL CONDITIONS, DISEASES, DISORDERS POSSIBLE.

COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER, ATOMY HEMOHIM and VITAMIN C and use of ZAPPER. Not to forget WHEATGRASS JUICE. RADIONICS and RIFE FREQUENCIES for basic corrections. Start immediately on the RADIONICS maintenance kit. HERBAL NUTRITION STEMCELL booster for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings of BIOFEEDBACK therapy to resolve most issues depending on the individual's resistance from within and the body's ability to HEAL.**
