ALTERNATIVE MEDICINES (CLINIC / PRACTITIONER)

A MUST place to visit for HOLISTIC HEALING, and Pre Disease Diagnosis. Specialized for NON INVASIVE DIAGNOSIS and TREATMENT on GENETIC & AUTO IMMUNE system. No Side Effects. Diagnosis on BIOFEEDBACK, Computerised "NAADI PARIKSHA".

Dr. Rajeev Mehra is a Reiki Grand Master, offering Healing in different formats and carries a treasure of knowledge in Health & Wellness, has undergone training in over 36 therapies and now has settled down with working on the basics that is Diagnosis and Treatment on the GENETIC & AUTO IMMUNE system.

Dr. Mehra with a vision to improve health, without the use of any support system, took an entry in HEALTH & WELLNESS industry way back in 1988. With a clear vision to work on a HOLISTIC system, took this challenge to work for the Health & Wellness Industry. Dr. Mehra has played a key role in introducing various different modalities (therapies from India & Abroad) to help in keeping fit without any side effects.

In the year 2006, 18 years after working on different modalities Dr. Mehra finally decided to dedicate his time to research and work on healing the core, rather than the disease. Time had come to shift focus on working on the BLUEPRINT, rather than on the end product. This shift led to concentrating research on working for de-stress and repair of the CHROMOSOMES & HORMONES and correction on the GENETIC & AUTO IMMUNE system. By this time it was clear, that unless the core / roots are not rectified, any changes made on the physical would not last for long. It was essential to work on the basic BLUEPRINT, which each one of us carry.

Thus the journey was started - to keep all the 36 therapies that were learnt in the past 12 years aside, and move in the direction to Detect and Repair the basic BLUEPRINT which we carry.

Since 2006, Dr. Mehra has been working mainly with BIOFEEDBACK. All other modalities are on standby, if required. This system is so powerful it is able to Diagnose and Correct as well. With this, Diseases / Disorders can be detected years before any symptoms are noticed; or years before it affects the physical. It's truly PRE DISEASE DIAGNOSIS. Computerised "NAADI PARIKSHA".

REVERSAL OF ALL CONDITIONS, DISEASES, DISORDERS POSSIBLE.

WHAT WE DO & WHAT WE DO NOT DO:

1. WE DO NOT DIAGNOSE:

We assess, measure, determine or evaluate a condition.

2. WE DO NOT PRESCRIBE:

We recommend, suggest, advice or offer options to alleviate the condition.

3. WE DO NOT TREAT:

We work with, release, normalize, relieve, balance or remedy a condition.

4. WE DO NOT CURE:

We alleviate, balance, improve, correct or normalize a condition.

5. WE DO NOT Use the word "DISEASE":

We use condition, problem or imbalance.

6. WE DO NOT MAKE CLAIMS OR PROMISES:

We explain that health is an individual matter with many approaches to healing and no guarantees. It is our job to educate our clients so that they are more in control of their own health.

•

Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXIFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".

Visitors need not mention their Disease or Discomfort, nor reveal their medical papers till the time the test is complete. Once the test is done, the practitioner would then hear out the grievances and go through the medical reports only to confirm that the same is prominent on our screen.

7000 parameters are diagnosed in just 5 minutes, the disturbances / stress in each area are recorded in a range of 0 to 100, and these are shared with the patient. Age old disorders can be detected. Disorders / Diseases which would takes years to surface for the medical system to confirm could be seen right away.

Today we have a remedy / repair for every Disease / Disorder. Every symptom, disease, disorder can be diagnosed and treated successfully. If diagnosed in time everything is CURABLE. The Best part of this system is – NO SIDE EFFECTS.

USP of this system is Diagnosis and Treatment can be done even in ABSENTIA. In chronic cases, advanced diseases, hospitalisation or age related issues the patient is not able to visit the clinic. In these cases too in ABSENTIA the Diagnosis and Treatment is possible. In most of the cases undertaken, the patient was unable to visit, but the work did not stop. In chronic cases where the patient is hospitalised and fighting between life and death, using this option along with the regular course proves beneficial.

Our work mainly involves 4 stages- DETOXIFICATION; CHROMOSOME test, to identify hereditary issues, faulty programming; IMMUNITY test, to verify an AUTOIMMUNE angle and finally support with SUPPLEMENTS (AMINO ACIDS, HORMONES, MINERALS and VITAMINS).

We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.

We strongly recommend DETOX procedure, along with IMMUNITY and DIETARY SUPPLEMENTS. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER, ATOMY HEMOHIM and VITAMIN C and use of ZAPPER. Not to forget WHEATGRASS JUICE. RADIONICS and RIFE FREQUENCIES for basic corrections. Start immediately on the RADIONICS maintenance kit. HERBAL NUTRITION STEMCELL booster for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings of BIOFEEDBACK therapy to resolve most issues depending on the individual's resistance from within and the body's ability to HEAL.
