## FEMALE CANCER MANAGEMENT – ONCOLOGIST

WELLNESS CENTRE SPECIALIZED FOR NON-INVASIVE  
FEMALE CANCER TREATMENT

CANCER, also called malignancy, is an abnormal growth of cells. There are more than 200 types of cancer, including breast cancer, skin cancer, lung cancer, colon cancer, prostate cancer, and lymphoma. Symptoms vary depending on the type.

GYNECOLOGIC CANCERS are the uncontrolled growth and spread of abnormal cells originating in the female reproductive organs, including the cervix, fallopian tubes, ovaries, uterus, vagina and vulva.

Common Cancers / Gynecologic Cancers in females:

- **Breast Cancer**
- **Cervical Cancer** (lower part of the uterus)
- **Endometrial Cancer / Uterine**
- **Gestational Trophoblastic Disease (GTD)**
- **Ovarian Cancer** (female reproductive glands)
- **Primary Peritoneal Cancer**
- **Vaginal Cancer**
- **Vulvar Cancer**

15 Cancer Symptoms Women Shouldn't Ignore

1. **Breast changes**
2. **Bloating**
3. **Between-Period Bleeding**
4. **Skin Changes**
5. **Blood in Your Pee or Stool**
6. **Changes in Lymph Nodes**
7. **Trouble Swallowing**
8. **Weight Loss Without Trying**
9. **Heartburn**
10. **Mouth Changes**
11. **Fever**
12. **Fatigue**
13. **Cough**
14. **Pain**
15. **Belly Pain and Depression**

**Our work involves to DE-STRESS all concerned areas, causing an imbalance, leading to Diseases / Disorders. We work to MANAGE STRESS, to help the system function normally. Our work pattern is to DETOXYFIFY the system. Support it with ESSENTIAL SUPPLEMENTS & FREQUENCY ENERGIES. And finally, provide CORRECTIVE FREQUENCIES, to restore balance in the system. We strongly believe in "BODY HEALS ITSELF".**

**We very well know, at initial stages there are no symptoms. It can be diagnosed only when revealed on the physical. But by then it is too late.**

**We, at MEHAK WELLNESS CENTRE, under the expertise of DR. RAJEEV MEHRA, a GOLD MEDALIST & REIKI GRAND MASTER offer NON-INVASIVE Diagnosis on State of the Art, latest 21st Century technology to verify the onset or presence of CANCER & Cancer affected areas.**

**We, run a complete 7000 parameter test which includes AUTO IMMUNE disorders and CHROMOSOMES and issues related to GENETIC disturbances, thus are in a position to guide the client of a future onset or presence of CANCER and its spread in the system. Special attention is given to female reproductive areas, to access the damages, if any.**

**With vast experience of over 35 years, working with Cancer patients and being awarded with 80+ Certificates & Awards – DR. RAJEEV MEHRA is confident of handling all types of CANCER. Type of Cancer, and location in the body is not important here.**

**The test thus helps us in taking preventive measures for the disease much before it can show up on the regular physical tests.**

What we do / how we tackle this issue.

**We conduct a test to reveal the Genetic component involved in this disease. On having the results for the Genes, Chromosomes, Auto Immune & Cancer specific areas, we are in a position to assess the damage done or possible damage in the near future.**

**Our work is NON-INVASIVE. We work with BIOFEEDBACK and RADIONICS. Cancerous cells may be of any type or in any part of the system, makes no difference, the therapy remains the same.**

**Being in NON-INVASIVE stream, we do not recommend Chemo-Therapy, Radiation, or Surgery. As far as possible we advise to avoid removal of any Body Part.**

Lymphatic Drainage is helpful, particularly for Breast Cancer.

**Basic cause of CANCER is mainly due to GENETIC factors, thus by working on the root cause and stabilizing the GENES, CHROMOSOMES, AUTO-IMMUNE disorders and all parameters related with CANCER, we are in a position to eradicate the CANCER cells without any side effects or danger to client's life. Information on the spread of cancer cells in the system is important to tackle it from each and every cell / organ which it has invaded.**

**Of 46 Chromosomes, 6 CHROMOSOMES are responsible for onset of CANCER. Thus these need to be worked upon if required. Unless all these 6 chromosomes that affect the onset of CANCER are not rectified, permanent resolution to CANCER would not be seen.**

**Main causes of activating CANCER are lack of Oxygen supply, Hypoxia and Acidosis. These issues are taken into account for correction along with other related issues instigating / provoking / supporting CANCEROUS Cells.**

**Our work mainly involves 4 stages- DETOXIFICATION; CHROMOSOME test, to identify hereditary issues, faulty programming; IMMUNITY test, to verify an AUTOIMMUNE angle and finally support with SUPPLEMENTS (AMINO ACIDS, HORMONES, MINERALS and VITAMINS).**

## WHAT WE DO & WHAT WE DO NOT DO:

### 1. WE DO NOT DIAGNOSE:

We assess, measure, determine or evaluate a condition.

### 2. WE DO NOT PRESCRIBE:

We recommend, suggest, advice or offer options to alleviate the condition.

### 3. WE DO NOT TREAT:

We work with, release, normalize, relieve, balance or remedy a condition.

### 4. WE DO NOT CURE:

We alleviate, balance, improve, correct or normalize a condition.

### 5. WE DO NOT Use the word "DISEASE":

We use condition, problem or imbalance.

### 6. WE DO NOT MAKE CLAIMS OR PROMISES:

We explain that health is an individual matter with many approaches to healing and no guarantees. It is our job to educate our clients so that they are more in control of their own health.

•

**We advise to COMPLEMENT our services, with the ongoing therapies / treatment for better and faster results.**

**We strongly recommend DETOX procedure, along with IMMUNITY and DIETARY SUPPLEMENTS. This should be started immediately. COLLOIDAL SILVER WATER, ANTIOXIDANT HYDROGEN RICH WATER, ATOMY HEMOHIM and VITAMIN C and use of ZAPPER. Not to forget WHEATGRASS JUICE. RADIONICS and RIFE FREQUENCIES for basic corrections. Start immediately on the RADIONICS maintenance kit. HERBAL NUTRITION STEMCELL booster for speedy recovery. NON-INVASIVE therapy is administered, which could take 18 to 72 sittings of BIOFEEDBACK therapy to resolve most issues depending on the individual's resistance from within and the body's ability to HEAL.**

## FEMALE CANCER MANAGEMENT
