

Details :

- Our company products are as per the norms of international drug and cosmetic law.
- No heavy metal narcotics or steroid is mixed in preparation in our any medicine..
- As per ayurveda there is no provision of making herbal extract so we don't mix any herbal extract.

Usages : It works maintained Harmonal balance in human body. It also work as prevention from any kind of common man and a diabetic person. Till it present in human blood there is no chance of any infection. As it work to balance hormones so it work sim thyroid we have seen in some patient to cure skin problems also.

(For Blood Purification and Harmonal Imbalance) Dr. Thanki's Blood Purifier Capsule :

- It works in any kind of hormonal imbalance of a human body. As it maintains hormones so it is very useful to stop thyroid problem, hormonal changes in both gender and as we have researched that the cause of self generated disease like Cancer, Stone, High Blood Pressure, Kidney Problem are due to hormonal imbalance or enzymatic imbalance so it is a preventive to stop this crucial diseases. As it has capacity to absorb toxic material and can remove the same by urination and stool. After a long research on some patients the combination of Dr.Thanki's liver care powder and Dr. Thanki's DVT Protector Add on Vitalizer controls hyper and hypo throid.
- It proves that it has capacity to control uric acid level in blood.
- Secondly till its exist in a human body blood stream it will not permit to develop or attack any kind of virus or unhealthy cells or any kind of infection in a human body. As it has got capacity of contraceptive or infertility so if a person does not require baby should take Dr.Thanki's Blood Purifier Capsule regular does not require any other kind safety measures. When the same person requires to have baby may stop this medicine and can get conceive.This proves it may give temporary infertility to the mankind.The major population of India does not want to utilize other measures to stop pregnancy as they don't enjoy hence population is increasing though it is known to ayurvedic drs but they don't suggest or the govt did not giving attentation on but this may control uncontrolled increament of population.

Dosages :

- One capsule twice a day with fresh water.-for harmonal imbalance-blood purification.
- Dosages for Throid patients - One capsule twice a day. Dr. Thanki's Liver care powder 3/4 tsp twice a day with like warm water and Dr. Thanki's DVT Protector Add on vitalizer one tsp three times a day.(to get fast result take one tsp isabgol husk (psyllium husk) 10 minutes before with fresh water in taking of Dr. Thanki's DVT Protector Add on vitalizer.

Key Ingredient : Azadiracta Indica

From The Desk Of Chairman :

- As it is known to everybody related to ayurveda that non removal of toxic material from a human body causes a crucial deasese.
- We started to research on the natural genetic neem forest in Andhra Pradesh and got good quality neem leaves from there.

- This can be taken by a patient or not patient. This is neither giving heat or cold inside human body as this is a tree of tropical climate. As per ayurvedic books neem is only product on earth to balance of harmones in both sex and to control virul and other infections.

Note : In any form of Neem should not be given to pregnant lady.]

Each Box contains 100 capsules

डॉ. थानकी ब्लड प्यूरीफायर कैप्सूल

घटक : नीम पत्र

ये मनुष्य के शरीर में विद्यमान सभी प्रकार के हार्मोन्स को नियंत्रण करने का कार्य करता है। अतः ये थाईराईड नामक बीमारी में अत्यन्त उपयोगी है।

हमारे अनुसंधान कर्ताओं ने पाया कि स्वजनित रोग जैसे गुर्दे की पथरी, कैंसर, उच्च रक्त चाप, गुर्दे की बीमारी जैसी बीमारियों का मुख्य कारण हार्मोन्स या एन्जाइम का अनियंत्रित होना ही है। ये दवा शरीर में उत्पन्न जटिल रोगों के रोक थाम के लिए सबसे उपयुक्त दवा है।

दूसरा जब तक ये दवा मनुष्य के शरीर में खून में मिली रहती है तब तक शरीर में बाहरी किटाणु, जीवाणु या वायरस का संक्रमण नहीं होने देती है अतः ये दवा रोग प्रतिरोधक क्षमता भी बढ़ाती है।

मात्रा:

व्यस्कों के लिए : एक कैप्सूल दिन में 2 बार पानी के साथ

बच्चों के लिए : एक कैप्सूल दिन में एक बार पानी के साथ।

थायरायड के इलाज के लिए:

डा. थानकी ब्लड प्यूरीफायर कैप्सूल : एक कैप्सूल दिन में 2 बार।

डॉ. थानकी लीवर केयर पाउडर:

मात्रा : एक चम्मच दवा एक कप पानी में घोलकर 30-45 मिनट छोड़ देवे फिर अच्छी तरह हिलाकर लेवे। साधारण रोगी दिन में दो बार तथा पुराने रोगी या असाध्य रोगी दिन में तीन बार लेवे।

डॉ. थानकी डी.वी.टी. प्रोटेक्टर एड आन व्याहटाइलाइजर :

एक चम्मच इसबगुल की भुसी पानी के साथ लेने के 10 मिनट बाद इस दवा का एक चम्मच पानी के साथ लेवे। ये दवा इसी तरह दिन में 2 बार लेवे। यदि रोगी का वजन 80 किलो या ज्यादा है तो ये दवा दिन में तीन बार लेवे।

नोट : रोगी को अच्छे और जल्दी परिणाम के लिए इस दवा के सेवन से पहले इसबगुल जरूर ले लेना चाहिए।
