Such as pickles, mushroom sauce, red oil needle mushroom sauce, kelp silk, fish sauce, dried turnip, preserved vegetables, oilives, apricot bao mushroom, mustard, cedar spices, sour pickled cabbage(pieces), etc. Main function is automatic material feeding, automatic servo screw cup measuring, automatic filling, automatic oil filling, and automatic conveyor, and other function.

Technical Parameters

Model	LW-FLJL60
Container Specion	50-100mm
Pickles Filling Range	20ML-300ML
Oil Filling Range	5ML-100ML
Packaging Speed	30-60pcs/m
Filling Accuracy	1%
Gross Power	3p 380v 4.5kw
Gas Consumption	0.6mpa 0.1m3/m
Dimension of the machine(mm)	1700*1500*2300
Standard Configuration Price(EXW usd)	
High Configuration Price(EXW usd)
