

# Chlorophyll Plus

Guarana

-  Rich in antioxidants & enzymes
-  Good source of protein
-  Liver detoxification
-  Anti-Inflammatory

## WHAT IS CHLOROPHYLL?

- **Chlorophyll** is the green pigmentation in all plants which is responsible for **photosynthesis process**.
- Rich in aminoacids and enzymes.
- **1915 Nobel Prize winner – Dr. Richard Willstatter** discovered the chemical structure of **Chlorophyll**.
- In **1930, Dr. Hans Fischer** proved that **Chlorophyll** and **hemoglobin's chemical structure** are nearly the same, thus it can increase hemoglobin and oxygen content in our body.

## Main Compounds of Chlorophyll

Rich in anti-oxidants, B-carotene, Vitamin C, Vitamin E, Selenium, Zinc

- Acts as **free radicals** scavenger.
- Anti-aging.
- Anti-**cancer**.
- Ability to stop formation of **nitrosamine** (agent of **cancer**).
- Enhance **immune system**.
- Slow the development of **degenerative diseases**.
- Assists in the formation of **protein**.

## OTHER USAGE:

- **Antiseptic.**
- Acts as **antidote** for blood contamination.
- To protect or screen from a low level **radiation.**
- Enhance **immune system** from allergy and dust.
- Assist in prevention of **Candida, Epstein – Barr Virus and Cytomegalovirus.**
- Stimulate **blood circulation.**
- Stimulate **metabolism.**
- Help in maintaining a healthy internal **intestine ecosystem.**

## WHAT IS GUARANA?

- Known as **Paullinia Cupana** in Botanical term.
- Also known as “**King of Long- life**” by the Brazilian.

## DISCOVERY OF GUARANA

- **Joao Felipe Bettendorf** – a **German preacher in 1669** discovered **Guarana** while exploring and preaching in the Amazon basin.
- He brought some back and did some research on the fruits as a result, whole world has the opportunity to enjoy the fruit

## Functions of Guarana

### Prevents artery blockage

**Guarana** has the ability to prevent clumping of platelets which causes artery blockage.

### Activates brain cells and nervous system

In **1997**, a Brazilian scientist found the effectiveness of **Guarana** in strengthening memory capabilities and preventing degeneration of **brain tissue**. This is because; the **amino-acids** produced by **Guarana** can be absorbed easier and faster by the brain. This is very useful for those suffering from **neurodegenerative diseases**.

## LIQUID CHLOROPHYLL PLUS GUARANA

**CHLOROPHYLL PLUS GUARANA IS ALSO KNOWN AS**

**“CHLOROPHYLL KING”.**

**HEALTH BENEFITS:**

- Supply **nutrients** to cells & Increase **oxygen** supply to the tissues.
- Improves **blood circulation**.
- Reduce excess **cholesterol** and **fatty acids**.
- Eliminates excess **blood sugar** and **protein**, stabilizes the **blood Ph.**, Prevents **edema** and **diseases of urinary system**.
- Activate **brain cells** and improves the function of **nervous system**.
- Enhances **intelligence and memory**.

## LIQUID CHLOROPHYLL PLUS GUARANA

CHLOROPHYLL PLUS GUARANA IS ALSO KNOWN AS  
“CHLOROPHYLL KING”.

### HEALTH BENEFITS:

- Prevent ageing of brain cells, optical nerve defects, motor nerve, neuralgia, and **migraine headache**.
- Stimulates heartbeat, strengthens the heart, and prevents **myocardial infarction**.
- Activates liver cells, neutralize, and **eliminate all the toxins**.
- Increases elimination of waste products and increase re-absorption of nutrients in the **renal system**.
- Improves the **digestive system**.
- Prolonged use prevents **influenza, typhoid, cholera, pneumonia, rashes and edema**.
