RAJHRANI IMPEX PRIVATE
LIMITED**

CHICK PEAS

Description and Uses

Kabuli, which has lighter coloured, larger seeds and a smoother coat, India is also a major producer and introduced during the 18 century to India.

***Kabuli* (meaning 'from Kabul' in Hindi, since they were thought to have come from Afghanistan when first seen in India)**

Hummus is the Arabic word for chickpeas, which are often cooked and ground into a paste and mixed with *tahini*, sesame seed paste, chickpeas are roasted, spiced, and eaten as a snack

SPECIFICATION

CHICK PEAS: -

**It has lighter coloured, larger seeds and a smoother coat mainly grown in India
(Introduced during the 18th century to India)**
