

Herbal, Harmless & Non-Hormonal Uterine tonic

Only For Ladies...

Most trusted 'Experience-Based' Ancient Formula: Takes care of your inner-problems. Just one 3 month course is enough!

for Female Disorders like

Pain & Scanty Menses (Dysmenorrhoea)

largely effects young females, on or near puberty.

Excessive Menses (Menorrhagia)

Brings general weakness and loss of precious blood.

Scanty Menses (Oligomenorrhoea)

Early Menses (Metrorrhagia)

Stopped Menses (Amenorrhoea)

Delay in Onset of Puberty (Menarche)

Excellent Supportive Medicine for Vaginal Discharges. Udambar's High Anti-Inflammatory action increases body resistance and even forms a protective layer on the endometrium to reduce chances of recurrence arising out of pelvic inflammations and congestion.

Infertility (Sterility):

The Anti-Inflammatory action of UDAMBAR, decreases pelvic inflammations and improves chances of conception. Many issue-less have been blessed with children.

Goldwater's Ashoka D.P. is prescribed by thousands of Doctors every day.

We give you the same product with low cost and no side effects.

Completely Non- Hormonal.

Since 21 years.

ASHOKA D.P. is our company's leading and most prestigious product. Largely prescribed all over India by the leading gynaecologists, for curing female disorders without any Hormonal Medicines.

Double Strength

ASHOKA D.P. treats congestive and neurological types of Dysmenorrhoea as it soothes the endometrium, normalises the mucosa of the uterus, induces normal menstrual flow, relieving abdominal discomfort.

Most experienced doctors prefer Ashoka D.P. over other hormonal therapy because it can be administered immediately as and when required, which is not possible with hormonal Management. Moreover, Hormonal Therapy initially retards the menstrual flow inducing psychological depression to the patient.

The superiority of Ashoka D.P. is further established over Hormonal Therapy as the later is contra-indicated in the cases of Virgin Girls, Hypertension and hepatic Abnormality amongst others.

NON-HORMONAL : ABSOLUTELY SAFE!

Ashoka D.P. acts on the Uterine Musculature through Sympathetic Nerves. It is an excellent Uterine Tonic and a Nervine Sedative; thus useful in Dysmenorrhoea. It exerts a stimulating effect on the Ovaries, Endometrium and the Uterus, thus improving Blood Circulation ot tone-up the Entire Genital System.

DIET RESTRICTIONS:

Avoid Oily, Fatty, Hot and Spicy meals.
Only Goldwater's DP ASHOKA contains UDAMBAR & ASHOKA combination.

Presenting the best Ayurvedic Combination

Udambar (Ficus racemosa) is an Astringent & Strong Antiinflammatory.

1. It forms a protective layer on the endometrium
2. It increases body resistance, takes care of Secondary Infections.
3. Prevents and controls LEUCORRHOEA. and decreases PELVIC INFLAMMATIONS

ASHOKA (Saraca Indica)

1. Very good tonic for Uterus, strengthens its muscles and removes many sorts of problems/ diseases.
2. Most effectively controls all sort of MENSES dysfunctions specially DYSMENORRHOEA (Painful & Scanty Menses).

Ayurvedic Pharmacology & Therapeutics VM Chopra (SPARC) pg. 304, Oct. 2000
