1. Ensures a Smoother & Fairer Skin; improves Complexion.

Red & Pure

Raises the Hemoglobin Factors in the Blood. Clears off Anaemia. Overcomes Weakness During Pregnancy & Lactation.

Formulated with ***two distinct categories*** of herb.

The first category proven to raise the HAEMOGLOBIN FACTORS thus clearing off Anaemia.

The Second Group of herbs work synergistically with the first group to improve the quality and PURITY OF BLOOD.

In Short, RED PURE is a complete HAEMATINIC plus a BLOOD PURIFIER.

Indications: All types of Anaemia, Nutritional Deficiency, Post Surgical Anaemia, Pimples, Acne & Various types of Skin Infections.

Anaemia is the condition where the blood contains less number of Red Blood Cells which contain HAEMOGLOBIN, which in turn carries oxygen particle and supply to each and every cell of the body. Normally, Iron is required for the formation of Hemoglobin which we usually get from the normal food we eat.

Now Goldwater presents RED PURE SYURP a scientific and balanced unique combination of herbs which generates a new stamina and vigor by increasing hemoglobin content and also rejuvenates the body. No side effects or untoward sign and symptoms.

Simpler and Easier intake

Easily available at affordable cost

Shorter Duration of treatment period

Does not require additional drug treatment for acidifying vitamins like ascorbic acid

Most Important:

No CONSTIPATION like other Iron Tonics.

Note: hemoglobin count in Males (12.5% to 15.5%) Females (12% to 14.5%)

Dosage: 2 teaspoonful, 2 to 3 times a day, after meals. Take plenty of water after dose.
