

Is your favourite cough syrup really safe?

Most cough syrups have sedatives and side effects. They have to be taken under proper medical supervision. GW VASAKA (Herbal Cough Syrup) is herbal, harmless and absolutely safe even for small children and can be taken as and when required . . . and is very effective too!!

Salient Features:

UC Dutt says. “The medicine was considered so serviceable in phthisis that it was said that no man suffering from this disease need despair as long as Vasaka Plant exists” (Chopra ID of I pp 266-268)

CHILDREN : LOVE ITS TASTE !

ADULTS : ADORE ITS ACTION !

DOCTORS : PRIDE ITS RESULTS !
