“No finer aim can a man attain, than to alleviate another’s pain.” Alexander Pope

The outstanding pain reliever, ensuring response. ORTHOLON kills pain with accuracy in lesser time and with no side effects.

Salient Features:

Specially indicated for long-term therapy of ARTHRITIS. Controls pain and inflammation faster by rapid absorption and faster approach to the affected joints.

ORTHOLON not only treats the SYMPTOMS BUT ALSO GOES TO THE ROOT OF THE DISORDER. Unique combination of herbs and minerals has made ORTHOLON exclusively useful in management of RHEUMATIC ARTHRITIS, SCIATICA, GOUT, JOINT PAIN and SPONDYLITIS.

Points to Highlight:

Contains the time tested curative Balsamodendron mukul (Guggul), which is highly recommended in the treatment of Rheumatism given internally and applied locally in diseased bones and promotes absorption. Also recommended for gout, lumbago, affecting the loins and the sacrum. Dr Nadkarni AK (Indian Materia Medica) pg 168.

Balsamodendron mukul produces a sensation of warmth in the stomach. It stimulates 'Phagocytosis' (the envelopment and digestion of bacterial or other foreign bodies by other phagocytes such as 'leucocytes). Guggul is said to have marked anti-suppurative properties (Chopra ID of I pg. 289) Dr. Nadkarni AK (Indian Materia Medica pg 168).

Action:

World wide researches have re-established the time tested curative properties of Ayurvedic Medicines. Goldwater's product ORTHOLON ins specially formulated for long term therapy of Arthritis having meticulously selected herbs.

ORTHOLON maintains such control, which inhibits the 'Prostaglandin Synthesis' and relieves pain by exerting 'Central Analgesic Action' with more gastric tolerance. It also infuses fresh energy and vigor in a system worn out owing to any constitutional disease like rheumatic fever or from over work.

Controls pain and inflammation faster by Rapid Absorption & Quicker approach to the affected part. No gastric intolerance.
