SB-137	Glasswares	Specimen Tube	Specimen Tube available with 3"x1" with cork
SB-138	Glasswares	Specimen Jar	Specimen Jar available in different sizes
SB-14	Compound Microscopes	Oil Immersion Medical Microscope	MK 58(A) (With labex objectives)With Iris Diaphram & movable condenser, 1.2NA actuated by rack & pinion with 10x, 15x eye piece & 10x, 45x objective & 100x oil immersion of high magnification, complete with mechanical stage.
SB-15	Compound Microscopes		
SB-16	Compound Microscopes		MK-8-B Magnifications : 20x to 1500x Eye pieces : WF10x, H5x/H15x (2 Pairs) Eye piece for Photography:5x/8x/10x (Any One) Parfocal Objectives: 4x/5x, 10x, 45x(s), coaxial mechanical state plate movement
SB-17	Compound Microscopes	Student Projection Microscope	MK-1 (150mm screen) with halogen lamp Magnifications: 100x to 600x Eye pieces: 10x, 15x Parfocal Objectives: 10x, 40x spring loaded Supplied with mechanical stage and plywood case
SB-18	Compound Microscopes	Student Projection Microscope	M-K1 (150mm screen) with halogen lamp Magnifications: 50x to 600x Parfocal Objectives: 5x, 10x, 40x spring loaded Supplied with mechanical stage and plywood case
SB-19	Compound Microscopes	Dust Proof Microscope Cover	(a) Plastic (b) Made of Acrylic sheet, fully transparent. Common for student, Research & Binocular microscopes
SB-2	Dissecting Microscopes	Dissecting Microscope	Superior Quality Round base with two eye pieces fitted with achromatic lenses.
SB-21	Microscope Accessories	Mechanical Stage	Attachable to any Any standard Microscope. Provided with scale & vernier upto 1/10mm with super quality/pattern export quality heavy
SB-22	Microscope Accessories	Camera Lucida (Prism Type)	This is a simplified version of tracing of microscopic objects on plane paper-Fitted with Leman Optical Glass Prism.
SB-23	Microscope Accessories	Camera Lucida (Mirror Type)	Consists of a beam spitting prism of Optical Glass, positioned over the Eye- piece of a microscope with a large size mirror swinging about the extension arm under which the image is drawn. In velvet Lined case.

SB-66	Human Anatomy	Charts	Made of water proof Rexine-Printed in different colours varying from two to ten colors. These charts are washable and durable with black background. All charts are 123cmx100cm in size except the titles on DNA & Human Anatomy Bio Visual products, Hyderabad
SB-7	Dissecting Microscope	Compound Microscope	Eye pieces available in H10x,H5x/H15x (Any Two) Parfocal Objectives 10x, 45x spring loaded Fixed Condenser With Iris Diaphragm
SB-8	Compound Microscopes	Compound Microscope	Magnification : 25x to 675x Eye pieces : H10x,H5x/H15x (Any Two) Parfocal Objectives: 10x, 45x spring loaded Movable Condenser: With Iris Diaphragm
SB-85	Zoology(Apparatus)	Herbarium Press	Herbarium Press available in 16"x12" /23"x15" this sizes
SB-86	Zoology(Apparatus)	Harbarium Sheets	Harbarium Sheets available in 6th/4th sheets
SB-87	Zoology(Apparatus)	Lancet	a) Spring type, large size with Superior Quality b)Lancet available in Disposable
SB-88	Zoology(Apparatus)	Magnifier	a)Magnifier available With plastic handle b)Magnifier available With metal C.P. c))Magnifier available With Superior Export
SB-89	Zoology(Apparatus)	Tripod Magnifier	Tripod Magnifier available with good quality/superior quality with superior lenses
SB-9	Compound Microscopes	Compound Microscope	Magnification : 25x to 600x Eye pieces : H10x,H5x/H15x (Any Two) ParfocalObjectives:10x,40xspring loaded Movable Condenser:With Iris Diaphragm
SB-90	Zoology(Apparatus)	Razor for section cutting	Razor for section cutting available with Routine/superior/extra superior qualities
SB-91	Zoology(Apparatus)	Sharping stone for Razor	
SB-92	Zoology(Apparatus)	Leather Strip	Leather Strip for Razor
SB-93	Zoology(Apparatus)	Klinostat	Superior quality runs 30 hours on each winding in either vertical position on heavy metal stand.
SB-94	Zoology(Apparatus)	Auxanometer	Self recording with clock, With stand
SB-95	Zoology(Apparatus)	Arc Indicator	Well polished wooden On stand large size
SB-96	Zoology(Apparatus)	First Aid Box	First Aid Box available in small/medium/large sizes
SB-97	Zoology(Apparatus)	Vasculam	
SB-98	Zoology(Apparatus)	Staining Rack	a) For 6 bottles simple type b) Superior quality for 6 bottles. Teak wood well polished having tray in front keeping Slides, Brushes & Forceps etc c) For 12 bottles. Heavy pattern. Teak wood well polished having tray in front keeping Slides, Brushes & Forceps etc

SB-99	Zoology(Apparatus)	Insect Collecting Net	Ring Dia. 30 cm. Having large net complete with large Wooden/Metal handle
SB139	Glasswares	Separating Funnel	Separating Funnel available in 250ml
SB140	Glasswares	Trough Glass	
SB141	Glasswares	Test tube	Test Tube available in Pyrex type Hard glass/Borosil/Neutral Glass
SB142	Glasswares	Thistle Funnel	a) All glass Superior quality. Bulb type b)Neutral Glass. Extra Superior quality Bulb type c) Borosil Glass. Bulb type
SB143	Glasswares	Watch Glass	Watch Glass available in Routine /superior quality with sizes of 2/3/4"
SB146	Glasswares	Water Bath Serological Thermostatic Controlled	with rack for test tube. Doubled walled. Inside made of Stainless Steel and outside mild steel sheet with attractive stove enamel. Temperature is controlled by a Hydraulic Thermostate from 5c above ambient to 100c. with a sensitivity of +- 0.5c. Bath consists of two pilot lamps, control knob and ON/OFF switch, To work on 220/230 volts A.C. a) 300x250x175mm (For 2 racks) b) 325x300x175mm (For 4 racks)
SB149	Glasswares	Helotropic Chamber	
SB149b	Glasswares	pH Meter	a) Digital (Table Model) manual with pH Electrode POR b)Toshniwal Make
SB150	Glasswares	Physical Balance	K.Roy Make Double door
SB151	Glasswares	Weight box Physical	Weight box Physical available with Superior quality Brass weights/ Tested Superior
SB152	Glasswares	Berrenger Balance	Berrenger Balance available capacity 2/5kg.
SB153	Glasswares	Weight for Berrenger Balance	Weight for Berrenger Balance available in 50gm to 1kg /50gm to 2kg
SB154	Glasswares	Top Pan Dial type balance	Top Pan Dial type balance available in 1/2/4kg
SB45	Film Projectors	Overhead Projector	
SB49	Museum Specimens	Animal Kingdom Set:	Classified into Invertabrate and vertebrate with each Phylum group.Acollection of twenty Six representatives form of the major Phyla of the animal kingdom in liquid Mounts First time in India and our SPECIALITY: Specimens other than noted above, can be supplied at very reasonable rates.
SB67	Zoology	Human Anatomy	Charts Laminated
SB68	Zoology	Human Anatomy	a) Charts Rack available at 24/36 with all metals b) Chart Display Stand with all Metal Adjustable

Sheet1

SB69	Zoology(Apparatus)	Dissection Box :	a) Set of 15 intuements Stainless Steel with Good Quality b) Student make it with Extra Superior c) Set of 19 intruements stainless Steel with Good Quality d) Surgeon make it with Extra Superior
SB70	Zoology(Apparatus)	Scissor :	Stainless Steel Spare available it with good quality/extra superior
SB71	Zoology(Apparatus)	Scalpel :	Stainless Steel Chrome Plated available it with Good quality/extra superior
SB72	Zoology(Apparatus)	Forceps	Forceps available at good quality/extra superior quality
SB73	Zoology(Apparatus)	Tong for catching	Tong for catching available at 10"
SB74	Zoology(Apparatus)	Bone Cutter	Bone Cutter available at different sizes 5"/6"7"
SB75	Zoology(Apparatus)	Mounting Needle	Mounting Needle available with plastic handle Superior Quality with Thick handle
SB76	Zoology(Apparatus)	Brush Camel Hair	Brush Camel Hair available at No.0&1/2
SB77	Zoology(Apparatus)	Dissecting tray :	a) Superior Quality tray, white enameled colour, size 12" x 10" with arrangement to keep the wax in position complete with wax b) Extra superior quality, Jointless, enameled with groove to hold the wax in position c) Made of heavy Duty Plastic-Jiontless Bottom 12"x14" Complete withwax
SB78	Zoology(Apparatus)	Spirit Lamp	Spirit Lamp available at Glass/Aluminum/Brass
SB79	Zoology(Apparatus)	Plain Biological Slides :	a) Ground edged size 75x25cm b) Blue Star make
SB80	Zoology(Apparatus)	Cavity Slide:	Cavity Slide available at 1/2 cavity
SB81	Zoology(Apparatus)	Cover Slip	i) Cover Slip available in Square : a) Jam make 18x18mm 22x22mm pkt.of 10gm b) Blue Star/ Polar make Pkt of 10 gm ii) Cover Slip available in Round : a) Jam make pkt of 10 gm b) Blue Star/Polar make Pkt. Of 10 gm
SB82	Zoology(Apparatus)	Entomological Pins	Rust less with non- magnetic imported
SB83	Zoology(Apparatus)	Heamocytometer	Heamocytometer available in silver line
SB84	Zoology(Apparatus)	Stop Watch	Stop Watch with start, Stop and fly with back action
SK-62	Human Anatomy	ShowCase For Human Skelton	1.Show case for Articulated Human Skeleton. Full size having glass on three sides. Openable from front. 2.Show case for Human Articulated Skeleton (For outstation customers) Without glass. Specification as SB-49 (a). Glass can be fitted at your end, as there is possibility of breakage in transit
